**Barbie Allan** · 3rd

Human Resources | Technology | Leadership | Innovation | Team Development | Employee Relations | Talent Management | HR Operations | Agile | Coaching | Employee Development | Servant Leader | Continuous Software Delivery

January 12, 2015, Barbie worked with Frans on the same team

I had the privilege to work within the same group at Frans. Frans' demeanor and work style is one that anyone would want to work with and/or for. He was extremely well respected by everyone internal and external to our immediate work group, including vendors. Frans added value to everything he worked on and had an amazing understanding of the BIG picture and how to influence it where needed. I didn't work directly for Frans, however he was someone that I counted on for guidance and mentorship periodically and he was always available, willing to listen, and provided thoughtful/meaningful feedback and coaching. I'd work with Frans again in a heartbeat.

**Melanie McDonald** · 3rd

Chief Experience Officer

December 10, 2014, Melanie managed Frans directly

Frans has supported me in various roles and was a valued team member at T-Mobile, USA for many years; most recently on the Employee Experience team. My team was responsible for all aspects of the employee and contingent worker lifecycle from technology, process, programs and learning. Frans' technical acumen and
